

REMARKS

Claims 6-8 remain in the application and claims 1-5 have been deleted as being drawn to an invention being examined in parent co-pending application, SN 09/240,903, now allowed.

In view of the above amendments and remarks, early consideration and allowance of all claims are respectfully requested.

Respectfully submitted,

David A. Hey  
Senior Counsel  
Registration Number 32,351
